Deck Mount Garden Tub Filler

Be aware that old design will be shipped until stock is depleted. If you desire the new design, please make sure you specify in your order.

Simplifies maintenance: Using this filler, one stem can be used throughout the entire house.

More clearance: Mounting spout on faucet housing gives greater clearance on garden tubs with rolled edges or lips.

Easier to install: Handles and spout are factory-installed.

Brass body and brass stem compression, triple chrome plated. 8" 2-H exposed garden tub filler. Boxed.

374419

379010 Chrome w/Clear Handles

8" Kitchen Faucet

379014 Box; 12/Ctn.

- Patented, self-aligning plunger stop with non-rotating tip eliminates the grinding action that causes washer wear in ordinary faucets causing drips and leaks.

- No corrosion, because Celon[®] underbody is non-adhesive, so water minerals will not stick.

- Simple to install, because each faucet is packaged with hand-tight locknut connections and an ABS putty plate; built-in handle stops prevent overtightening.

4" Lavatory Faucet

4" centerset chrome faucet with clear handles. Less pop-up assembly.

379012 Box; 24/Ctn.

Same as above in white with smoked handles.

379013 Box; 24/Ctn.
